

**Weekly Family Update**  
**Week of December 9 - 13, 2024**

Hello KOTR Families!

Welcome to our school weekly newsletter! We are pleased to share some exciting updates and important information with you.

**From the Classroom:**

Students in M Millen's class were geocaching this past Friday. What is geocaching? It is an outdoor activity where participants use GPS devices to locate various hidden caches based on coordinates. Students were developing skills in French oral and written communication and reading, orienteering, cooperation, and leadership. Thank you to the School Council for purchasing the GPS units for us!

**Congratulations!**

Our grades 3, 4, and 5 bordenball teams made us proud this week - not only performing at a high level, but being gracious hosts to neighbouring school teams. A big thank you to Mme Baker for organizing the two days of events and to our coaches Mme Kosloski and Mme Zahorka.
